work history :

I was working as... - event agency multimedia department manager (5 years); - hostel manager, receptionist, hikers base crew member (3 years); - webmaster, photojournalist, graphic designer, photoeditor (freelance); - natural parks & forests worker, carpenter (1 year); - winemaker (8 seasons).

Last, 2024 jobs: *Volcano Huts* - tourist traffic management in Thorsmork Nature Reserve (Iceland), *Cave Mirabilis* (Switzerland), *Champagne Barrat-Masson* (France)- wine maker.

hobbies :

being *free* on the road | Latin America | high mountain trekking (4000-6000'AMSL - *Los Andes*) | mountain serpentine - 4x4 driving | natural, minimalist, experimental housing | photojournalism, art, graphic processing | philosophical literature | volleyball | synergistic meetings

education :

2009-2010 Polish - Japanese Academy of Informatic Technology, Poland - PhD/Multimedia Designer

1999-2006 University of Warsaw, Poland - MSc/Physical Geography, Climatology

info :

I enjoy working with people I feel intellectually connected to, in a stimulating environment, where we can exchange enthusiasm and joy! Constantly being on the road has taught me autonomy and distance. I've gained extensive knowledge about the world as well as communication, computer skills. I drive my own 4x4 vehicle. I spend half the year in Europe and the other half in South America - it would be perfect to combine this lifestyle with my work.

languages :

good, positive communication skills in POLISH (N) ENGLISH (C1) SPANISH (B2) and RUSSIAN (A2)
